

Weekly Report

1 Done

1.1 Show the section of patent to the lawyer and have a discussion about how to modify.

- The main direction is how to construct our system.
- I need to remove the color of the pictures and add the details of the annotation.

1.2 Introduce our work for some visitors.

1.3 Discuss the topic of Kai Yuan's thesis with him. In summary, he is more interested in the relationship network and urban data. Hence, I advise him to learn about the RelationLine and take a consideration of changing the topic of his thesis.

1.4 Review the courses and finish part of my homework.

2 To Do

2.1 Review the courses; finish part of my homework.

2.2 Complete the initial draft of the patent, communicating with the lawyer.
